TWENTIETH YEAR-No. 47

TORRANCE, CALIFORNIA, THURSDAY, NOVEMBER 8, 1934

PER COPY 5c

While Torrance residents gave Governor Frank Merriam nearly four times as many votes in Tuesday's election as he polled here in the August primary, Governor Merriam still ran 284 votes behind Upton Sinclair, final tailies of the 12 Torrance precincts revealed. Merriam increased his Torrance support from 310 votes in tile primary to 1197 in the general election. Sinclair polled, 912 votes here in the primary, which was increased to 1431 in Tuesday's halfoting. An all-time record vote was cast, 3037 of the 4042 regishalfoting. As all-time record votes was cast, 3037 of the 4042 regishalfoting.

Payrolls To Increase In Local Factories

The election of Governor Merriam will soon be reflected in added employment and increased payrolls in Torrance factories, the Herald learned today from executives of leading local industrial plants. It is known that a large number of orders, which had been held up pending the outcome of the election, will soon be released and production increased.
